RE: Certification of Support for Rural and Non-Rural High-Cost Carriers Pursuant to 47  
C.F.R. Sections 54.313-314, CC Docket Nos. 96-45 and 00-256

Ms. Dortch and Ms. Majcher:

The Public Utilities Commission of Nevada hereby certified that all federal high cost support provided to rural carriers in this state will be used only for the provision, maintenance, and upgrading of facilities and services for which the support is intended, consistent with section 254 (e) of the Communications Act of 1934, as amended. This includes High Cost Loop (HCL) support, Local Switching Support (LSS), High Cost Model (HCM) support, and high cost support received pursuant to the purchase of exchanges.

Pursuant to sections 54.313 and 54.314 of the FCC's rules (47 C.F.R. §§ 54.313, 54.314), the Public Utilities Commission of Nevada certifies the rural carriers listed on the accompanying attachment, which also contains each identified carrier's assigned study area code (SAC), if known.

If you have any questions regarding this letter, please contact Paul Anderson at [panderso@puc.nv.gov](mailto:panderso@puc.nv.gov) or at (775) 684-6182.

Sincerely,

  
Crystal Jackson  
Executive Director
